Maham Zubair

Product development Manager

Islāmābād

Summary

Looking forward to joining a reputable organization in the field of electrical engineering(Telecom), where my abilities and skills can contribute to the growth and development of the organization and can add value to it. Excellent interpersonal and communication abilities, and possess a wide range of technical skills. I enjoy being part of a team, as well as managing, motivating, and training a productive team, and capable of handling high pressure and challenging working environment.
