Muhammad Salman Sohail

Product Group Analyst at GfK

Pakistan

Summary

I'm an MBA student, majoring in Logistics and Supply Chain from Institute of Business Management (IoBM). I want to take on challenges and responsibilities related to production planning and control, and Warehousing and Logistics as my contributions to an organization. Looking for a great opportunity with a mid-large size firm where I can contribute in multiple projects that impact the organization as well as broaden my scope of learning from the organization's team members.
