Services

# Ilias Papachristos

EMEA Community Manager at C2C  
Salonica

## Summary

"Blame isn't the root cause. Focus on systems. What you can change in the procedures, not who is at fault. Failure is not Optional, it is Mandatory."

## Experience

### C2C

EMEA Community Manager  
February 2021 - Present (1 year 2 months)  
Thessaloniki, Central Macedonia, Greece

We're here to unite Google Cloud customers across the globe.  
Join us to connect, learn, and create a better business future for all.

### Ahead of Tech

4 years 3 months

### Google Cloud Consultant

July 2020 - Present (1 year 9 months)  
Thessaloniki, Central Macedonia, Greece

As a Professional Cloud Architect I design, develop, and manage robust, secure, scalable, highly available, and dynamic solutions to drive business objectives.

### Data Analyst

January 2018 - Present (4 years 3 months)  
Salonica, Central Macedonia, Greece

I'm using Python and SQL through data to seek and identify trends, the stories that the numbers tell, the business decisions that can be made based on these insights, creating visual representations, such as charts and graphs to better showcase what the data reveals

### Data Scientist

January 2018 - Present (4 years 3 months)  
Thessaloniki, Greece
